As it's supposed to be.

Democratic design.

Sixty years ago, we envisioned producing quality, accessible products that are well-designed and unique—truly understanding our customers' needs. Tilia's greatest motivation on this journey is to respond to real-life demands while embodying our commitment to nature, people, and excellence in every area.

Today, Tilia places the principle of “democratic design” at its core. With this, we aim to make thoughtfully crafted, contemporary designs accessible to every design lover, using materials that are sustainable for our world.

UPCYCLE

Shell-WP offers an eco-friendly alternative through upcycling technology, combining rice husks and polypropylene. This innovative material is both durable and environmentally conscious, elegantly reflecting the look and feel of natural wood. In addition, it's also suitable for outdoor use, which is a significant breakthrough, making it the perfect choice for those looking to bring a touch of nature into modern living spaces while embracing sustainability.
